

SACRED HEART SCHOOLS

PREPARATORY

WHERE DO GATORS GO?

This overview of SHP's Class of 2022 college choices allows readers to analyze some quantifiable outcomes, yet it fails to reflect the growth and self-knowledge our seniors attained in undertaking the important work of assessing their gifts, values, and goals, imagining a future path in a current environment that continues to be challenged by local and global uncertainty. We are proud of their work and their optimism as each senior committed to a unique path of growth and knowledge. We share in their excitement and hope as they embark on their journeys to impact the world, confident that they, not their college, will be the great determinant of their success.

Class Summary

155: Number of Sacred Heart seniors who applied to college

1675: Number of applications submitted

235: Number of different colleges to which students applied

12.9: Average applications per student (omitting those with just one)

27: Number of students who applied to only one college

Enrollment Summary

Graduates will attend 79 institutions

62 will attend colleges in California

28 will attend California private colleges

12 will attend University of California colleges

19 will attend California State University colleges

3 will attend California Community colleges
