

## WHERE DO GATORS GO?

This overview of SHP's Class of 2025 college choices allows readers to analyze quantifiable outcomes, yet it cannot reflect the growth and self-knowledge our seniors attained in undertaking the important work of assessing their gifts, values, and goals while choosing their future paths. We are proud of their hard work, optimism, and commitment to a unique journey of discovery. These students, not their college, will be the great determinant of their success.
